

## Home Boarding Agreement

Here at A\* Dog Behaviour we take the care of your dog very seriously. With this boarding service, your dog will live with us and our dogs, like they are our own. Your dog's needs are of great importance to us so please ask to discuss any allergies or behavioural problems your dog may have prior to them being boarded with us.

We aim to supervise your dog at all times, however in circumstances where we will not be there, they will be separated from other dogs in their designated area, be it a room or their crate.

Please take some time to read and fill in this form, this helps us to ensure your dog's stay with us is as stress free as possible.

### TO WHOM IT MAY CONCERN

I hereby authorise the attending veterinarian to treat any of my pets as listed on the Pet Information sheet and I accept full responsibility for all fees and charges (limited to £\_\_\_\_\_ ) incurred in the treatment of any of my pets.

The Pet Sitter is authorised to transport my pet(s) to and from the veterinary clinic for treatment or to request "on-site" treatment if deemed necessary. If I cannot be reached in case of an emergency, the Sitter shall act on my behalf to authorise any treatment excluding euthanasia.

If I cannot be reached and the attending veterinarian determines euthanasia is the only viable course of action on welfare grounds, I accept this as their professional judgement.
